In light of the plan provisions, the Debtor has not evaluated avoidance actions.

Steve, has the Debtor evaluated potential avoidance actions and if so, what did you conclude? Thanks. Marcus

Steve and James,

According to our calculations, the deadline to file any actions for preferences or fraudulent conveyances is **November 4, 2010**. Per the terms of the debtor's disclosure statement, the Debtor has offered to assign the avoidance actions, including actions against insiders of the debtor, to the Creditors' Committee for prosecution for the benefit of general unsecured claims. In that regard, has the Committee accepted the assignment of the avoidance actions?

Thanks.
Marcus
